Election Results

At the annual meeting held in Carriage Square Park on September 9, 2015, nominations for open offices were made and voted upon with the following results:

Richard Sharp – President
Michele Stokes – Vice-president
Donna Lakers – Treasurer
Mary Ellen Komac – Secretary
Ken Hoppe – Director (3-year term)
(The other two Director positions are serving the balance of their 3-year terms.)

As you can see, the Board's composition remains unchanged. The current Board has found that volunteering a small amount of time to help protect their own and their neighbors' property values has been productive and satisfying. Next year when the annual meeting is announced, consider stepping up. You will be glad you did.

Neighborhood Notes

***Thank you to homeowners who did fall cleanup around their yards. There was also some serious pruning accomplished, which made sidewalks more passable for the many walkers who enjoy our neighborhood.

*** The Board has received feedback that some homeowners let their garbage bins and cans remain visible from the street after pickup day. CC&R's require the containers to be placed behind fences.

***If your dues have yet to be paid for the 2015-2016 Association year, you will find a notice attached. Thank you!
